

Dear players and coaches,

Welcome at Sportpark de Kegel in Amstelveen.

For the sixth year we host and organize the Amstelveen Future Tournament. This year with a total prize money of \$ 30.000! \$ 15.000 for the Men's Future and \$ 15.000 for the Women's Future.

This year the setting will be a little bit different. This is because we are expanding our centre. By the end of next year we will be opening the Dutch National Tennis centre. Our centre will be hosting all trainings of the Dutch tennis selections and will facilitate all the staff of the Dutch Tennis Association.

We temporarily only have 8 courts available. The consequence is that there is no space for a large stand like the last years.

In the Future we will have 14 outdoor courts and also 14 indoor courts!
